EDUCATION

B.Tech, Computer Science and Engineering

Meerut Institute Of Technology, Meerut

06/2019 - Present

Meerut, Uttar Pradesh, India

PERSONAL PROJECTS

House price prediction Advanced Regression Technique (07/2021 - 07/2021)

IPL data analysis (07/2021 - 07/2021)

Modern Periodic Table (01/2021 - 01/2021)

WORK EXPERIENCE

Data Science & Machine Learning Internship

TwoWaits technologies pvt. ltd.

07/2021 - 08/2021

India

TwoWaits Technologies aims to help improve quality of education for millions of engineering graduates across India.

Achievements/Tasks

- Task 1. Get certified in the Machine Learning from open source, like from youtube or from any websites and then I have to submit my progress or notes in pdf form
- Task 2. I have to Submit EDA on IPL dataset through kaggle Notebook link
- Task 3. Create a Quiz on given topic like Linear Regression, Numpy & Pandas, Decision tree etc
- Task 4. About the soft skill like LinkedIn profile, Resume building, Github

Contact: Achintya Gaumat. - vibrantachintya@gmail.com

Machine Learning Trainee Internship MedTourEasy

01/2021 - 02/2021

India

MedTourEasy, a global healthcare company, provides you the informational resources needed to evaluate your global options.

Achievements/Tasks

- Task 1. I have been provided a certified online course/training of Machine Learning through DataCamp
- Task 2. Have to pass the Certification assessment.
- Task 3. I have to build a project of "Sign Language Recognition"

Contact: Ankit Hasija - linkedin.com/in/ankit-hasija

Trainee Titan Company Limited

10/2020 - 11/2020

Gurugram, Haryana, India

Achievements/Tasks

- I have been recruited for the Tanishq GMG store for helping the permanent employee of the Titan during the festival time in technical support and in attending the clients.

Contact: Vishal - 9990437939

SKILLS

c

Python

Machine Learning

HTML

ACHIEVEMENTS

STFC India Meritorious Scholarship 2019-20 for Under Graduate students (01/2020 - 01/2020)

selected for this prestigious scholarship on the basis of my academic records and excellent performance during the scholar evaluation process.

CERTIFICATES

Machine Learning (07/2021 - 07/2021)

This certification course is by Simplilearn online course in this i have been taught about the supervised and unsupervised Learning algorithm.

Machine Learning for Everyone Track
(02/2021 - 02/2021)

This course is about the foundations of Python programming language, provided by LinkedIn.

Programming Foundations: Fundamentals
(02/2021 - 02/2021)

This course is about the foundations of Python programming language, provided by LinkedIn.

Intermediate Python (01/2021 - 01/2021)

This was also the part of Machine Learning internship at MedTourEasy in this i was taught about important python module used in Machine Learning.

HTML Essential (12/2020 - 12/2020)

This course is provided through LinkedIn, in this i was taught all about the fundamentals of HTML.

programming fundamentals (07/2020 - 07/2020)

This Online course has provided by the Coursera offered by Duke University for the fundamentals of c language.

LANGUAGES

English
